"Promotion of the Puglia destination 2020-2021-2022"

- With Director Deed n. 1 of 01.10.2023, the Tourism and Internationalization Section acknowledged the approval of the Implementation Committee meeting of 10.26.2022 (as per the minutes reg. r_puglia/AOO_056/PROT/26/10/2022/000374), elaborating and approving the general survey of all the implementation projects of the PST relating to the years 2020, 2021, 2022 and 2023, also acknowledging the extension to 31.12.2023 of the 6 macro-projects of the Strategic Tourism Plan approved with Regional Decree no. 554/2022 and no. 939/2022. As part of this general remodeling, the project "Promotion of destination Puglia - Year 2020-2023" CUP B59D20001730009 was approved;
- Furthermore, with the Director Deed of 06.04.2023, no. 99, the Tourism and Internationalization Section acknowledged the implementation projects "Promotion of Destination Puglia", "Digital Communication and Brand Identity of Destination Puglia", "Qualification and Enhancement of the Regional Tourism Hospitality System and Enhancement of the Offer", "Innovation of Destination Puglia" and "Tourism Product" for the year 2023, as well as the reassessment of cost fiches as to the implementation projects of 2018-2022 within the Strategic Tourism Plan (referred to in AD no. 21/2018, no. 59/2018, no. 43/2019, n. 94/2019, n. 12/2020, n. 70/2020, n. 107/2020, n. 171/2020, n. 40/2021, n. 67/ 2021, no. 150/2021, no. 22/2022, no. 118/2022, no. 119/2022, no. 122/2022, no. 140/2022, no. 141/2022, no. 225/2022 and no. 1/2023), following the resolution of the Implementation Committee of 04.03.2023 (minutes with reg. r_puglia/AOO_056/PROT/03/04/2023/0001144);
- The project "*Promotion of Destination Puglia*" has among its objectives to strengthen the Puglia brand by promoting the system of tourism businesses on the various target markets, the matching between the regional territorial offer and the mediators of international tourism flows, knowledge and attractiveness of the territory in its tangible and intangible resources, as well as expand and diversify the portfolio of tourism products by encouraging those with a wider margin of off-seasonal adjustment;
- Based on a short and medium-term vision, the markets involved in the project activities, in addition to the domestic one, will be Europe, the USA and Canada, the UK, Israel, the United Arab Emirates, Brazil, Japan and Australia, i.e.: Countries connected with direct flights to the Puglian airports, and consolidated markets whose flows have now relevant over the last five years, as well as emerging markets which marked significant growth rates, and new markets with high growth potential based on international tourism flows analysis carried out by the Pugliapromozione Regional Tourism Observatory .
- The project includes, among the activities to be carried out, the organization of hospitality and accommodation activities involving specific recipients with the aim of disseminating the Puglia destination by way of direct experiences in the area and contact with local players and stakeholders, strengthening the promotion of the destination in established, emerging, and potential markets;
- The expected result is to encourage, in both short and medium term, a significant increase in tourism incoming figures and the knowledge of destination Puglia with special regard to foreign

markets;

- Planned activities will lead to an increase in the differentiation of market segments and products, consequently entailing the potential of consolidating the competitive positioning of Puglia as a travel destination and the ability to innovate the offer by collecting the needs of the market demand. Project results will be enhanced through an action carried out in close cooperation with the communication and valorization activities.
- Educational tours participants are mainly business sector operators or media professionals and social communication operators, who have the capacity to return commercial investments, on the one hand, and, on the other, provide editorial/social media products to be disseminated to the general and/or specialized public, so as to increase knowledge of the Puglia destination and its tourism offer;
- The Puglia Region and A.Re.T. make use of the Culture Tourism Ecosystem digital services whose gateway is the Puglia DMS, www.dms.puglia.it, to digitally streamline the tourism supply and demand market, particularly through the *BuyPuglia Matching Platform*;
- Educational Tours can also be directly carried out by A.Re.T. for the year 2023 in order to promote Destination Puglia through hospitality services aimed at opinion leaders, journalists, photographers, TV and film crews, tour operators, participants to events of particular importance with national and international reach, consistent with the aforementioned project and with the Regional Tourism Strategic Plan;
- The hospitality and logistical organization services and travel tickets for the educational tours are provided by the Supplier as appointed by Pugliapromozione through the Empulia electronic negotiated procedure platform, for an amount below the cost threshold pursuant to art. 36, par. 2, sub. b) of the Public Contracts Code.

Art. 1.

Purpose of this Call

- 1.1. Through this public Call, and according to its appointed role and operational mandate, A.Re.T. Pugliapromozione intends to proceed with the organization of educational tours, fam trips and press tours based on proposals to be evaluated in pursuit of its strategic purposes, and with the implementation status of the Strategic Tourism Plan and its available financial resources (assigned through the Strategic Tourism Plan - Promotion of Destination Puglia 2022).
- 1.2. The ultimate purpose is the growth of the Puglia brand in Italy and abroad both in terms of heritage and the offer of services for experiential tourism through personalized tour itineraries allowing professional guests to directly discover the places and tourism products, with a view to promoting and marketing the region's tourism offer in both established and emerging and potential markets.
- 1.3. The Educational Tour program aims to allow guests to **familiarize with the destination through direct experience and contact with local players and stakeholders**. The
